

# The Turkey Connection

The only thing we know for sure is that things will change!

After more than 40 years of collecting turkeys for Thanksgiving meals for Saint Vincent DePaul Dining Hall, The Rescue Mission and Skip's Café, we are **changing the collection day.**

It will now be on: **Tuesday, November 21, 2023.**

The city busses don't run on Thanksgiving Day so it would be to more people's advantage to serve the Thanksgiving meal on Wednesday instead of Thursday. Therefore, we need to have the food at the dining halls on Tuesday. Please mark your calendars for this change. Hopefully, this is even a helpful change for the cooks as we are not also preparing our food on the same day. One more helpful thing: If you are going away, you might find it convenient to drop your cooked turkey in the Parish Hall refrigerator on Monday night. The Hall will be open until 4:00 that day.

If you have been a parishioner of Saint Michael for a time, you know of the Turkey Connection. Each year we are asked to supply turkeys and the "fixins" - stuffing, pies, potatoes, yams, rolls, etc. - of a Thanksgiving meal to serve at these facilities. Please bring these items (please use disposable containers) to our Parish Hall on:

**Tuesday, November 21, 2023 between 8:30 am and 4:00 pm.**

The turkeys will be carved and sent with the other food to the kitchens for serving on Wednesday.

Again this year we ask your help in getting the word out other generous people who don't yet know about this ministry. So please text, e-mail, Facebook, tweet or otherwise pass along this information. It's a "viral" thing but we are safe because we have been vaccinated with the Spirit of God that does all things for our good and the good of those who depend on the people of God.

As ever, thank you and God bless you for all you already do to bring the face of Christ to this small corner of the world. And, thank you in advance for giving this Thanksgiving ministry another little boost this year.
