

September 2022 GoF Family Project

Clean & Warm Inside & Out

Getting ready now for the colder months that are coming, let's stock Catholic Charities cupboards with new t-shirts, underwear, hats and gloves.

All ages, all sizes, for everyone!

Remember to bring your filled bag back in October.

Clean & Warm Inside & Out

"Since you get more joy out of giving joy to others, you should put a good deal of thought into the happiness that you are able to give."

Eleanor Roosevelt

Questions for family conversation:

Why is joyful to give to others?

What is the happiness that we should be thinking about as we give to Catholic Charities?
